

What Bontex Sewing Week Means to All The Families of This Community

BONTEx

SEWING WEEK

Sale Starts Monday Morning

It means an offering of the country's most stylish and beautiful wash fabrics plus helpful ideas for home dressmaking which will benefit every family in the community. Every woman who visits the sale will not only be able to inspect these attractive fabrics, but will also be instructed as to how she can manipulate them artistically, and practically, to create dresses for herself and feminine members of her family. Women will be impressed with the superior value of these fabrics, because of the unusual advantages we have in placing them on sale in this city. Our prices are part of the proof.

The Price of Cotton Is Low

That is bad for cotton growers, but the country at large profits through the extraordinary values offered in

BONTEx WASH FABRICS

You know the old saying: "It's an ill wind that blows no one good." We, as business men, of course, deplore the low price of cotton because it decreases incomes throughout the south. On the other hand we, as merchants, serving the dry goods needs of this community to our very best ability, rejoice that we are able to offer the beautiful line of Bontex Wash fabrics at the price we quote below.
